The health center’s Neighborhood PACE program is so important to my family. Neighborhood PACE coordinates my transportation and all my medical appointments and gives me all my medications. I also take advantage of the Day Center and the Alternative Care Setting. This program has allowed me to stay at home and stay active and healthy. I don’t have to worry about a thing!“

Patty Ferrante, Neighborhood PACE Participant

With the East Boston Neighborhood Health Center’s Neighborhood PACE Program, getting older doesn’t mean losing your independence. Our members live full and meaningful lives—and often say they have never been as active or satisfied. As care providers, it is our privilege to help our community members not only stay healthy, but also stay independent and active. Our plan offers a full array of services:
